By submitting this application, you, the potential adopter, agree as follows:

1. I am over the age of 21 years.
 2. In the event I adopt from Come Bye BC Rescue, I agree to return my dog to Come Bye BC Rescue if for any reason I cannot or choose not to keep it.
 3. The information I have provided on the application is complete and correct to the best of my knowledge. I give my permission for any or all of this information to be verified. Furthermore, I agree to hold Come Bye BC Rescue and the staff at my veterinarian's office(s) harmless in the event of any claims arising from an adoption or declined adoption. Note: We will not consider any application with missing, false or misleading information.
 4. My adoption application and any subsequent adoption agreement will be governed by the Laws of the State of Illinois.
 5. Spaying and/or neutering and microchipping are the laws in the State of Illinois. All of our dogs are normally altered and microchipped prior to adoption.
- If the dog is not spayed or neutered because of its young age (this will be noted on the adoption contract), I agree to have it altered as soon as medically possible. Males must be altered no later than four months of age, females no later than six months of age unless otherwise expressly agreed to by Come Bye BC Rescue. Costs will be at my (the adopter's) expense. A deposit will be charged for pets that are not altered prior to adoption and such deposit will be 100% refundable if the above procedures are followed by the adopter and evidence is provided to Come Bye BC Rescue.

- With respect to microchipping, all pets are registered to Come Bye BC Rescue, and we will contact the adopter should we be contacted because the pet has gone missing. After approximately 30 days the adopter will be added to the microchip information. If the pet has not been microchipped prior to adoption (this will be noted on adoption contract), the adopter agrees to have the adopted pet microchipped within 30 days at the adopter's expense.
- The adopter agrees to provide written proof of the spaying/neutering and microchipping within 30 days of the procedures as described above.
- The adopter further agrees to keep Come Bye BC Rescue as a primary contact with the microchip company throughout the dog's life, and to notify Come Bye BC Rescue if the adopter's mailing address and/or contact phone numbers and email address change.

6. Adopter and Co-Adopter, if any, have read and will comply with the Adoption Agreement, a copy of which may be found on the Adoption Info page at www.comebyebcrescue.org or one will be provided upon request.

**PLEASE CONTACT YOUR VET AND LET THEM KNOW WE WILL BE CONTACTING THEM.
WITHOUT YOUR CONSENT, YOUR VET MAY NOT RELEASE INFORMATION TO US.**

Submission of this application does not guarantee that you will be approved for adoption. An incomplete application or misrepresentation of any facts on this application is grounds for denial.
